Exercise Tiger Association

I am proud that an organization as prestigious as the Exercise Tiger Association is recognizing the outstanding efforts of one of our finest members from the 442d Mission Support Flight.

SSgt Sariethia Lemos has done an excellent job in taking care of the education of the 442d Fighter Wing and local community. SSgt Lemos has created pamphlets and briefings to ensure our Citizen Airmen are made aware of the educational benefits available to them.

SSgt Lemos epitomizes what our Citizen Airmen do at locations around the world; supporting the combatant commander while balancing her family life and civilian job. Thank you for taking the time to recognize this great Airman!

Sincerely

CHARLES E. STENNER, Jr., Lt Gen, USAF
Commander
