

TO ALL AWARD CEREMONY PARTICIPANTS

It is with great pleasure that I extend my personal thanks for your service, dedication and continued support of our Marine Corps.

While serving as a Marine during World War II and in the Korean War, you set the example of courage, integrity and professionalism. Your heroic actions serve to remind us of the sacrifices of our Nation's veterans.

We who serve our Corps today are extremely proud to hear of Marines whose love for the Marine Corps has not diminished since the time they wore the eagle, globe, and anchor. You have the admiration and appreciation of Marines everywhere. Our thoughts and prayers are with you.

On behalf of all Marines, please accept my best wishes, and may God bless you. Semper Fidelis.

Sincerely,

C. C. KRULAK
General, U.S. Marine Corps
Commandant of the Marine Corps

As the new century draws closer, the determination and drive to honor the men of "Tiger" will always be certain. As long as there are wars and conflicts there will always be a need to recognize those who served and those whose memory will live only in our hearts and minds.
