The Exercise Tiger Association
Columbia, Missouri

I am pleased and proud that an organization as prestigious as the Exercise Tiger Association, and their many distinguished guests, would recognize the outstanding efforts of our finest from the 442nd Fighter Wing.

SMSgt Jerry D. Goehring and SMSgt Timothy L. Storms have spearheaded efforts in Operation Iraqi Freedom, from supervising all comprehensive Combat Convoy Operations over some of the most dangerous roads in the world, to the successful deployment of over 300 people, ensuring members and their families of all entitlements and benefits for their quality of life. They embrace volunteerism and embody our core values. The result of their contributions has positively impacted our prosecution of the War on Terrorism.

Again, I want to express my gratitude to the Association for recognizing these two outstanding members of the 442nd Fighter Wing.

Sincerely

JOHN A. BRADLEY, Lt Gen, USAF
Commander
